

**Amendments to the Drawings:**

Please substitute the enclosed corrected sheet 6 of formal drawings, including Figs. 7C and 7D and identified in the upper right corner as "Replacement Sheet," for sheet 6 of the drawings, including Figs. 7C and 7D, currently on file. Fig. 7D has been corrected to include the pin with the swaging collar and internal sealing insert of Fig. 1, in order to show the tool combined with the collar, as required by the Examiner.
